USING THE RADIO

To turn this sound OFF, press and hold VOL/>>/<< key for 2 seconds while transmitting.

VOICE OPERATED TRANSMISSION

The VOX feature is designed to be used with or without a headset. Transmission is initiated by speaking into the microphone. While you are transmitting, the VOX icon and the VOX sensitivity level (ON) is displayed.

To stop VOX transmission:

1. Press and hold the ON/OFF button for about 2 seconds until the VOX icon disappears.
2. Press any key other than CH/*/▲/▼/CALL to return to the selected channel.

ADVANCED FUNCTIONS (EMAIL)

Use MENU/▲/▼ to access your radio's advanced functions. The following features are available:

1. Press and hold EMAIL/▲/▼ key for 2 seconds until you hear “Normal” mode. VOX icon blinking indicates VOX is turned OFF.
2. Press any key other CH/▲/▼/CALL to change the code number displayed.

To increase the code number displayed, you may press any key other CH/▲/▼/CALL. To decrease the code number displayed, you may press and hold any key other CH/▲/▼/CALL.

TALKING ON YOUR RADIO

To talk to others using the radio:

1. Press and hold the PTT button and speak in a clear voice. The microphone will be muted while you are speaking. When the microphone is muted, you will hear your own voice through the speaker.
2. Release the PTT button to stop transmitting.

To release the microphone:

1. Press and hold CH/▲/▼/CALL to stop transmission.
2. Press any key other than CH/▲/▼/CALL to return to the idle mode.

Scan

Your radio has a channel scan feature that allows you to easily search all of your channels. When an active channel is detected, the radio will transmit or receive on the channel detected. When a channel is clear, then after a 2-second delay, this radio will go back to listening for other channels. While receiving, pausing, or displaying.

To start ON channel scan:

1. Press and hold EMAIL/▲/▼ key to select Scan mode and press CH/▲/▼/CALL to start.
2. Press OFF channel scan:

1. Press and hold EMAIL/▲/▼ key for 2 seconds to turn OFF “Normal” mode. VOX icon blinking indicates VOX is turned OFF.

A COMPLETE REFERENCE GUIDE TO ALL FEATURES AND THEIR USE

The LCD backlight automatically turns on any key depression. This backlighting feature displays 10 seconds before turning OFF.

ROGER BEEP

Roger Beep is a beep that is sent to notify the end of transmission (pact and VOX transmission). Roger Beep can be heard through the speaker when both ends of the call are on. If Roger Beep is set to on, the call will be heard by both parties. When Roger Beep is set to off, you will not hear the Roger Beep when you transmit. When Roger Beep is set to blink, Roger Beep will be heard by the other party.

To change Roger Beeping:

Press and hold VOL while turning the radio on and off until Roger Beep is displayed.

To stop Roger Beeping:

Press and hold EMAIL/▲/▼ key until the Roger Beeping icon and Roger Beep display is displayed.

Your radio can receive weather broadcasts from the following weather channels:

- Channel 3 162.475 MHz
- Channel 7 162.525 MHz
- Channel 11 162.795 MHz

**REGULATORY INFORMATION**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

**RF EXPOSURE INFORMATION**

**WARNING:** Read this information before using the radio. In August 1996 the Federal Communications Commission (FCC) of the United States adopted a report and Order (FCC 96-326) which adopted an updated safety standard for human exposure to radio frequency (RF) electromagnetic energy emitted by FCC regulated transmitters. Those guidelines are consistent with the safety standards (previously set by U.S. and international bodies. The designs of this device comply with the FCC guidelines and the international standards.

Never allow children to operate the radio without adult supervision and the knowledge of the following guidelines.

**WARNING:** It is up to the user to properly operate this radio transmitter to ensure safe operation. Please adhere to the following:

1. Use only the Uniden antenna.
2. Unshielded antennas, modifications, or attachments could impair or nullify the radio's FCC approval. Do not use this radio with a damaged antenna. If a damaged antenna comes into contact with the skin, a minor burn may result. Contact your local dealer for a replacement antenna.

**WARNING:** This device was evaluated for typical hand-held operation. Hand-held operation (WaRning) requires a good grip on the radio for safe and reliable operation. The unregulated signal output of this radio should be held 1 inch from the user's face or body in order to meet the applicable RF exposure requirements.

**Body-Wear Operation**

This device was tested for body-operated use, with the supplied body-worn harness. All necessary accessories are included in this package.

**LEGAL INFORMATION**

Important: evidence of original purchases is required for warranty service.

**WARRANTOR:** UNIDEN AMERICA CORPORATION ("Warrantor") for the period of three years from the date of original retail sale, this Uniden product to be free from defects in materials and workmanship only and will repair or replace a warranted product with new or reconditioned, if the product fails due to defects in materials or workmanship under normal and proper use, during the warranty period. This warranty is valid only if the product is purchased and operated in the United States or Canada. For products purchased outside the United States or Canada, contact the local dealer or distributor for applicable warranty information.

**OPERATION OF PERMITTED SERVICE**

After all the instructions in the owner's manual are followed, the product in its operation is not in violation of FCC rules. Operations must be limited to the ranges that are directed in this manual. If an operation is to be made, the FCC requires that the user be notified of any violation that may occur. This warranty covers only the limitations or exclusions set forth above. Your legal rights may vary from state to state. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. This warranty is not valid outside the United States and Canada. **STATEMENT OF REMEDY**
