For best results:
To avoid damage to your equipment, follow these simple precautions:
- Do not drop, puncture or disassemble any part of the equipment. There are no user-serviceable parts inside.
- Do not expose the equipment to high temperatures, and avoid leaving the equipment in direct sunlight for more than a few minutes. Heat can damage the case or electrical parts.
- Do not place heavy items on top of the equipment or expose the equipment to heavy pressure.
- Clean only with a dry cloth.
Failure to follow the instructions in this operating manual will void the warranty. Uniden assumes no liability for damages to property or injury to persons caused by improper handling or failure to comply with these safety instructions.

WHAT’S IN THE BOX
- moov wireless speaker (1)

GETTING TO KNOW THE MOOV
- LED
- Volume Control Wheel
- ON/OFF Switch
- USB Port
- AUX IN Port
- MFB (Multifunction Button)
- Speaker
- Microphone

SETTING UP YOUR MOOV
POWER ON/OFF
- Turn on your moov speaker. If this is the first time you have turned on the speaker, it will go into pairing mode automatically. (If this is not the first time, press MFB for 3 seconds until the LED blinks as blue.)
- Set your mobile phone or Bluetooth device to discovery mode (Visibility on).
- From the Bluetooth device list, select “moov.”
- If you are prompted for a passkey, enter “0000” (four zeroes) and tap OK.
- Your Bluetooth device indicates when pairing is complete.
- The moov speaker announces “Connected” and the blue LED blinks 2 times every 5 seconds.

Auto Reconnect
Your moov speaker will try to reconnect to the last connected Bluetooth device when you turn on the speaker.

Simple Pairing
If your devices support Bluetooth v2.1 or higher, you don’t need the passkey to pair them with the speaker.

Easy Pairing
Your moov speaker automatically goes into pairing mode the first time you use it.

ADDING ANOTHER SOURCE
Adding another audio device to the moov speaker requires using a 3.5mm stereo cable (included) with a 3.5mm plug on one end to connect with the AUX port on the moov.

CHARGE THE BATTERY
Charge the battery completely before using your moov.
1. Connect the AC adapter to the speaker USB port.
2. Plug the other end into a power supply (120V AC, standard indoor).
3. The LED turns red and remains on while the battery is charging. It turns off when charging is complete.
- When the battery is low, the speaker beeps once every minute. When you hear the beeping, recharge the speaker.

PAIR MOOV WITH BLUETOOTH DEVICES
1. Turn on your moov speaker. If this is the first time you have turned on the speaker, it will go into pairing mode automatically. (If this is not the first time, press MFB for 3 seconds until the LED blinks as blue.)
2. Set your mobile phone or Bluetooth device to discovery mode (Visibility on).
3. Set your mobile phone or Bluetooth device to discover the moov, then locate the Bluetooth device list.
4. From the Bluetooth device list, select “moov.”
5. If you are prompted for a passkey, enter “0000” (four zeroes) and tap OK.
6. Your Bluetooth device indicates when pairing is complete.
7. The moov speaker announces “Connected” and the blue LED blinks 2 times every 5 seconds.

OPERATING YOUR MOOV
PLAYING MUSIC
Press the MFB to play or pause music.

MAKING A CALL

SPECIFICATIONS

Model Name: moov
Bluetooth Core Spec: Bluetooth Spec 3.0
Profile: HSP/HFP 1.5, A2DP, AVRCP
Bluetooth Class: Class 2
Coverage Range: 10 meters
Continuous play time: Approx. 10 hours
Standby time: Approx. 500 hours
Weight: 1100g
Charging voltage: DC 5.0 V
Charging time: Approx 3 hours
Operating Temperature: +14° F to +122° F (-10°C to +50°C)
Storage Temperature: -4°F to +158°F (-20°C to +70°C)
Output Power: 6W (2CH; 3W x 2)
Battery: Lithium Polymer 3.7V, 1500mAh

RECYCLING AND DISPOSAL INSTRUCTIONS

Do not dispose of electronic devices or any of their components (especially batteries and LCD displays) in your municipal trash collection.
• Consult your local waste management authority or a recycling organization like Earth911.com to find an electronics recycling facility in your area.

FCC Compliance Information

Part 15 Compliance Statement
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device. “Privacy of communications may not be ensured when using this equipment”.

CE Compliance Information

Products with CE Marking comply with EMC Directive (2004/108/EC); low voltage Directive (73/23/EEC); R&TTE (1999/5/EC) issued by the Commission of the European Community. Compliance with these directives implies conformity to the following European Norms:
• EMC: EN 301 489
• LVD: EN 60950
• Radio: EN 300 328

One Year Limited Warranty

Important: Evidence of original purchase is required for warranty service.
WARRANTOR: UNIDEN AMERICA CORPORATION (“Uniden”).

ELEMENTS OF WARRANTY: Uniden warrants, for one year, to the original retail owner, this Uniden Product to be free from defects in materials & craftsmanship with only the limitations or exclusions set out below.

WARRANTY DURATION: This warranty to the original owner shall terminate & be of no further effect 12 months after the date of original retail sale. The warranty is invalid if the Product is (A) damaged or not maintained as reasonable or necessary, (B) modified, altered, or used as part of any conversion kits, subassemblies, or any configurations not sold by Uniden, (C) improperly installed, (D) serviced or repaired by someone other than an authorized Uniden service center for a defect or malfunction covered by this warranty, (E) used in any conjunction with equipment or parts or as part of any system not manufactured by Uniden, or (F) installed or programmed by anyone other than as detailed by the owner’s manual for this product.

STATEMENT OF REMEDY: In the event that the product does not conform to this warranty at any time while this warranty is in effect, warrantor will either, at its option, repair or replace the defective unit & return it to you without charge for parts, service, or any other cost (except shipping & handling) incurred by warrantor or its representatives in connection with the performance of this warranty. Warrantor, at its option, may replace the unit with a new or refurbished unit. THE LIMITED WARRANTY SET FORTH ABOVE IS THE SOLE & ENTIRE WARRANTY PERTINATING TO THE PRODUCT & IS IN LIEU OF & EXCLUDES ALL OTHER WARRANTIES OF ANY NATURE WHATSOEVER, WHETHER EXPRESS, IMPLIED OR ARISING BY OPERATION OF LAW, INCLUDING, BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THIS WARRANTY DOES NOT COVER OR PROVIDE FOR THE REIMBURSEMENT OR PAYMENT OF INCIDENTAL OR CONSEQUENTIAL DAMAGES. Some states do not allow this exclusion or limitation of incidental or consequential damages so the above limitation or exclusion may not apply to you.

LEGAL REMEDIES: This warranty gives you specific legal rights, & you may also have other rights which vary from state to state. This warranty is void outside the United States of America & Canada.

PROCEDURE FOR OBTAINING PERFORMANCE OF WARRANTY: If, after following the instructions in the owner’s manual you are certain that the Product is defective, pack the Product carefully, (preferably in its original packaging). The Product should include all parts & accessories originally packaged with the Product. Include evidence of original purchase & a note describing the defect that has caused you to return it. The Product should be shipped freight prepaid, by traceable means, to warrantor at:
