Congratulations on your purchase of a Uniden SX409 series radio. This lightweight, palm-sized radio is a state-of-the-art device, equipped with many useful features. Use it at sporting events, to stay in contact with family and friends, hiking, fishing, or hunting, or in a neighborhood watch for vital topographical conditions.

Your radio is equipped with a user selectable Voice Operated Transmitter (VQT) that can be used for automatic voice transmissions. The VOX feature is designed to be used with a headset with a microphone. Transmission is initiated by speaking into the microphone, then instead of pressing PTT.

To select VOX level:
1. Press MENU/▲ repeatedly until the VOX icon is displayed on the screen. (The VOX icon is displayed while on GMRS channels, and the icon is bypassed while on FRS channels.)
2. Press and hold the PTT button and speak in a normal, voice volume. The VOX icon will appear and you can transmit.
3. Press CH/ ▼ to change the VOX sensitivity levels. Use the volume controls to fine tune the voice levels for normal speech, and use a higher level to reduce undesired transmitted noise.
4. To exit, press the menu, press the MENU/▲ key to advance through the menu until exiting to "Normal" mode.

Setting Silent Mode
When you turn on Silent mode, all incoming calls are muted; if you respond, the other party will hear nothing. This mode is useful when you want to keep out of the conversation, or you are in a location where you cannot answer the call.

To turn on Silent mode:
1. Press and hold CH/▼ to advance through the menu until exiting to "Silent" mode.
2. Press and hold VOL/▼ for 2 seconds to turn on the Silent mode.
3. Press VOL/▲ to advance through the menu until exiting to "Silent" mode.
4. Press and hold VOL/▼ for 2 seconds to return to "Normal" mode; two beeps sound and the VOX icon stops blinking.

FM Radio Feature
Your radio allows you to tune in to FM radio transmissions.
1. Press and hold CH/▲ to activate the FM radio.
2. Press CH/ ▼ to advance through the higher FM frequencies one at a time. Press and hold CH/ ▼ to quickly scroll through the FM frequency list.
3. Press CH/ ▲ to scroll through the lower FM frequencies one at a time.
4. Press and hold CH/▲ to exit the FM radio feature.

Advanced Functions (Menus)
Press MENU/▲ to access your radio’s advanced functions.

Privacy Code
Each of the channels 1-22 may have a Privacy code (off or 1-121) selected. Code off (OFF) indicates no Privacy code selected and your radio can receive a signal regardless of the code settings of the transmitting radio.

1. Press MENU/▲ to enter the menu.
2. Press CH/▼ to advance through the menus until exiting to "Normal" mode (operation mode) (a double beep sounds).

Missed Call Alerts
If you receive an incoming call while Silent mode is on and do not respond, the radio will turn on the Missed Call icon. The radio will additionally remind you of a missed call by vibrating the radio for 2 seconds after the call for 3 minutes.

To change the Silent mode setting:
1. Press MENU/▲ repeatedly until VOL/▲ or VOL/▼ to PTT to exit menu mode.

Privacy Code:
When the unit receives a warning signal, it beeps for 5 seconds and displays the following messages on the display.
- “Missed Call” or “Missed Call”
- “Missed Call” or “Missed Call”
- “Missed Call” or “Missed Call"

To turn on the Weather Radio Broadcast mode, press WX/MON on the front panel.
To turn on the Weather Radio Broadcast mode, press WX/MON on the front panel.

To turn on the Weather Radio Broadcast mode, press WX/MON on the front panel.

Note: To prevent unwanted alert alarms, be sure to use a Privacy code whenever you use the Silent mode feature. You will not hear the received voice when you turn on channel scan and an active channel is detected even during Silent mode.

**MAINTENANCE**

**FCC PART 15 COMPLIANCE**

This device complies with Part 15 of the FCC rules. Operation is subjected to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**IC COMPLIANCE**

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subjected to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

**ONE-YEAR WARRANTY**

**WARNING:** It is up to the user to properly operate this radio transmitter to insure safe operation. Please adhere to the following:

Do not use the radio with a damaged antenna. If a damaged antenna comes into contact with the skin, a minor burn may result. Please contact your local dealer for a replacement antenna.

**Hand-Held Operation (Held-to-Face)**

This device was evaluated for typical hand-held (held-to-face) operations with a 1 inch spacing from the front of the radio. For hand-held operation, the radio should be held 1 inch from the user’s face in order to comply with FCC RF exposure requirements.

**Body-Worn Operation**

This device was evaluated for body-worn operations with the supplied belt-clip accessory. (All necessary accessories are included in the package. Any additional or optional accessories are not required for compliance with the guidelines.) Third party accessories (unless approved by the manufacturer) should be avoided as these might not comply with FCC RF exposure guidelines.

**FCC RF EXPOSURE**

**WARNING:** It is up to the user to properly operate this radio transmitter to insure safe operation. Please adhere to the following:

Do not use the radio with a damaged antenna. If a damaged antenna comes into contact with the skin, a minor burn may result. Please contact your local dealer for a replacement antenna.

**Statement of Remedy:** In the event that the product does not conform to this warranty at any time while this warranty is in effect, the user shall either, at its option, repair or replace the defective unit and return it to you without charge for parts, service, or any other cost (except shipping and handling) incurred by you or your representatives in connection with the performance of this warranty.

**Limited Warranty Set Forth Above Is The Sole and Entire Warranty Pertaining To The Product And In lieu of And Excludes All Other Warranties of Any Nature Whatsoever, Whether Express, Implied or ARISING BY OPERATION OF LAW, INCLUDING, BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THIS WARRANTY DOES NOT COVER OR PROVIDE FOR THE REIMBURSEMENT OF INCIDENTAL OR CONSEQUENTIAL DAMAGES. Some states do not allow this exclusion or limitation of incidental or consequential damages so the above limitation or exclusion may not apply to you.**

**Legal Remedies:** This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. This warranty is void outside the United States of America and Canada.
